

As a more than 245-year-old german family business with over 2,500 employees and six production sites worldwide, the BUTTING Group is one of Europe's leading stainless steel processors. Our customers benefit from the strengths of the individual companies, which are combined to the advantage of our partners. Our new production site in Alabama, USA gives us direct access to the North American market. We will be manufacturing for plant engineering and cryogenic piping systems here in the near future.

Unsolicited application

Reference number: 02-2025

Are you an expert in your field and looking for a new challenge? Then become part of the BUTTING family and join our new team in Loxley, Alabama!

Apply now and play an active role in shaping the development of our new production site in the USA.

You can look forward to a job in a family-run and economically stable company in the 7th generation with prospects for the future. We offer an open, friendly and collegial working atmosphere with flat hierarchies and short decision-making processes. You will receive a fair salary with holiday and Christmas bonuses as well as other company benefits. You can look forward to working in a committed team.

Please send us your detailed application by e-mail, stating your salary expectations and your earliest possible starting date:
